This the tenant refused to allow as he had agreed to strip and deliver the crop. The tenant, John W. Boone, in an affidavit, substantiates Mr. Byron's statement.

OUR SECOND GREAT SEMI-ANNUAL CLEARANCE SALE

Begins Monday, August 12th,

And continues until every job in our house is sold. Last summer we contracted for extra advertising space in order to draw your attention to our sale; advertised a great and sweeping clean-up sale; stuck to the letter to what we advertised, and as a result had the most satisfactory Buggy Sale ever held in Maysville carrying over one buggy only. This year we do not intend to have one rig left in our repository, and are marking the vehicles at such ridiculously low prices, and backing them up with such a strong guarantee, that you cannot help but buy if you are needing a rig of any kind. The case is this: We have the Vehicles and need the money; you have the money and need the Vehicles. Now is your opportunity.

We include in the sale all Buggies, Runabouts, Surreys, Phaetons and Carts in our repository.

APPELATE sounds like Appellate.

SAMMY saw it first, but LESLIE beat him to it.

Kentucky is the worst governed state in the Union—*Courier-Journal*.

HOLMES, sweet HOLMES, got the lemon and APPELATE got the big red apple.

THE American Economist says Protection cannot support TAFT. However, they may fare worse.—*Courier-Journal*.

It seems to me that the only salvation of our state is in a brilliant victory for the Republican ticket.—Major David Castleman, life-long Democrat, who will this year vote the straight Republican ticket.

THE Washington Post is now slobbering over Governor BECKHAM and declares that he is "a master politician." A short eighteen months ago this same Washington Post was poking all kinds of fun at BECKHAM, and said that BLACKBURN would wipe the floor up with him and PAYNTER. It also said that "the young Governor would hear something drop" at the Democratic primary of 1906, implying that MCCREARY was all the money and that Crapps was but a spavined gelding,—or words to that effect.

How can Mr. BRYAN call Judge TAFT "a straddler" when he himself side-stepped his government ownership proposition and his "16-to-1" hobby?

TEN years ago General JACOB S. COXEY led his grand army of ragged Weary Willies up the grassy slopes of the Capitol at Washington demanding free soup and free silver or bust, and was kicked off the lawn by the police. Now this same gallant "Gigadier Brindle" proposes to raise another army. But instead of tramping along the dusty highways, COXEY proposes to charter a special train of Pullman palace cars and make a tour of the country preaching the doctrine of municipal ownership of public utilities. COXEY is a spectacular old fraud, and he and CARRIE NATION should organize a bughouse vaudeville combine.

If I do not altogether trust your party, (the Democrats) I do trust Mr. Willson implicitly. I have had occasion to find the same feeling pervades the whole of Central Kentucky.

It seems to me that the only salvation for our state is in a brilliant victory for the Republican ticket.—Major David Castleman, prominent Democrat and member of one of the first families of Kentucky.

MUTUAL OBLIGATION.

Gibbs—Hal old fellow, how are you? Just heard that you had gone into the newspaper business.

Dibbs—Yes. Just bought a country paper.

Gibbs—That so? Why, you can give me an occasional puff, then.

Dibbs—Certainly. What are you busy with now?

Gibbs—I am in the clothing business—ready-made clothing.

Dibbs—Hal Then you can give me an occasional suit of clothes.

Gibbs—Well, dunno about that. It costs money to manufacture clothing, you know.

Dibbs—That's true; and it costs nothing to manufacture newspapers!

Then they parted.

APPELATE ON 42d BALLOT

Holmes Goes Down to Defeat After Being But One Vote Short of the Nomination.

Notable Victory For the Kenton County Man Portends Success in November

Pulls and Adroit Manipulations Too Much For the Man From Old Nicholas

It was fun while it lasted. But some of the speeches were not of that spell-binding eloquent sort that make the pulse throb and the blood tingle.

The Appellate Convention yesterday and last night was a lively and interesting affair and will go down in the annals of the party as one of the best and most interesting Conventions ever held in Kentucky.

There never was such an outspoken evidence of dissatisfaction with the Democratic regime as was shown.

There were men in the Convention from this and neighboring counties in the District, who were heretofore zealous and outspoken Democrats who arose and publicly went on record as favoring Willson and Cox and the entire Republican state ticket and asserting that it is time to call a halt on the Frankfort Machine, and that now is the time to declare for the Republican ticket and the "square deal."

When Hon. J. B. Bennett, Chairman of the District Committee, called the Convention to order at 1:10 p. m., the Opera-house was crowded with the 326 delegates from the 17 counties comprising the Sixth Appellate District and 600 spectators.

Hon. W. D. Cochran of Mason county was selected temporary Chairman and Charles J. Hiltch of Kenton county temporary Secretary.

Chairman Bennett made a brief talk outlining the object of the Convention and introduced Mr. Cochran who spoke for fifteen minutes, his address voicing the sentiment of the Republicans of Kentucky in the ensuing campaign.

The delegations from Carter and Rowan having delayed in arrival by a wreck, there was much talk and a wrangle over adjourning until 8 p. m., which was finally agreed upon.

Convention met at 4 o'clock with Rowan present, but Carter still absent.

Committees on Rules, Resolutions, Organization and Credentials retired and Convention adjourned until 7:30.

It was nearly 8 o'clock when Convention met. Congressman Bennett read report of Committee on Resolutions which indorsed the splendid administration of President Roosevelt and the unparalleled success and prosperity of the country under the Republican Government during the last 50 years. The resolutions had the clear ring of truth and inspired every Republican and many Democrats with the realizing sense of the present deplorable conditions in Democracy-ridden Kentucky to hope that our grand old Commonwealth would ere long be numbered with her sister states as one of the progressive sisters in the great Union.

Emmett Orr aroused the Convention with a speech full of truth and eloquence.

Fleming county was allowed 19 votes instead of 17 as was given her.

Hon. W. D. Cochran was elected permanent Chairman and Mr. Harrison permanent Secretary with Seneca X. Swimme of Greenup Assistant Secretary.

Roll call of counties showed that all were represented except Carter with 24 votes.

And then the fun began at 8:30 o'clock last night.

The line-up of candidates was as follows:
Hon. Samuel B. Holmes of Nicholas county.
Hon. Leslie T. Applegate of Kenton county.
Hon. J. Grant Tomlin of Grant county.
Hon. Sam Anderson of Campbell county.
Hon. Thomas W. Rose of Rowan county.

There were nominating speeches galore and then some.

The first ballot resulted: Applegate 87, Holmes 82, with the other votes divided among the other three candidates.

On the fifth ballot the hindmost candidate was dropped and then for four weary hours the battle of the ballots and the calling of the roll of the counties went on until the 42d ballot resulted as follows—

Applegate.....168
Holmes.....160
Tomlin.....7

Chairman Cochran of the Convention who presided with courtesy, fairness and firmness, was offered the nomination for the Appellate Judgeship, but emphatically declined.

It was 1:05 when the Convention adjourned.

23—TIME TO SKIDDOO

Timely Discovery of Fire in Room 23 at St. Charles Hotel Saves Many Lives and Big Loss

The timely discovery of a fire in room 23, third floor, at the St. Charles Hotel this morning about 4 o'clock probably saved the lives of its occupants—Omar Hughes and Will Hazebon, members of Mr. Stan Willett's railroad crew.

Had not Mr. Willett gone to the room when he did for the purpose of awakening the boys a different story might have been told.

On approaching 23 he noticed smoke issuing from the room and on opening the door discovered an unconscious bed afire and the boys sound asleep on the other.

The bedding was caught up and dumped over the porch into the yard below where it was entirely consumed.

How the fire originated is not known.

Three fires within the space of a few hours at Paducah caused a loss estimated at more than \$50,000. At one time it was feared that the entire business section of the city would be wiped out.

Dr. Harover was in Chair at meeting of Academy of Medicine last evening and Dr. Smoot was lecturer in course. Members present: Drs. Smoot, Ellis, Read, Browning, Harover, Taylor, and Samuel. Lecturers for next meeting, Drs. Browning, Taylor and Ellis. For controlling reasons, the next meeting will be Friday, September 6th, at 8 o'clock p. m. Council Chamber.

WHY?

That little word and the interrogation point may mean little or it may mean much. When applied to roofing it means a good deal. The manufacturers of and dealers in nearly all "Composition," "Felt," and "Rubber" roofing tell you of their two and three-ply roofing and its superior qualities and then ask you \$1 to \$2 per square more than for single ply. When you examine roofing ask the weight. That's the test. Our Clinax Asphalt weighs 60 pounds per square and is sold as low as the 35 and 40-pound kind. Investigate this before purchasing.

READ THIS AND PROFIT THEREBY!

This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.

The best soap to use for the bath and toilet is Picard's Complexion Soap. A non-injurious, healthful soap. Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

One way is to pay no attention to it; at least, not until it develops into pneumonia, or bronchitis, or pleurisy. Another way is to ask your doctor about Ayer's Cherry Pectoral. If he says, "The best thing for colds," then take it. Do as he says, anyway. We have no secrets! We publish Dr. J. C. Ayer & Co.'s formulas of all our preparations. Lowell, Mass.
